## We Don't Like It

### Song Lyrics

What a world  
I just don't get it  
People on the street  
And they can't get bread  
Under a bridge  
Freezing cold  
People with kids  
But no home  
We've got so much.  
Can't we share?  
Why's it so hard  
To be fair?  
Too many look  
The other way  
I don't like it  
So I say  
So we say  
Come on, come on!

#### CHORUS

We don't, we don't like it—no!

People hurting,

crying—no!

We don't, we don't like it—no!

We don't like the things we see

We don't, we don't like it—no!

People stealing, lying—no!

We don't, we don't like it

We don't like it  
Change has got to come

### Dance Movements

#### CHORUS

Making a vertical "X" in front of you, cross and uncross your arms to the beat

Hold your bicep with your other hand to show you're in pain, as if someone had hit you

Trace teardrops down your cheeks

Making a vertical "X" in front of you, cross and uncross your arms to the beat

Put your open hands around your mouth and shout the phrase

Making a vertical "X" in front of you, cross and uncross your arms to the beat

Do the "fly catcher" gesture: close your fist quickly several times in front of you, like a robber stealing money

Making a vertical "X" in front of you, cross and uncross your arms to the beat Point to yourself

Put one hand out in front of you, palm up and cover it with the other hand, palm down and then slowly "flip the sandwich" 180° so that the hand on the bottom is on top and vice versa.

## We Don't Like It

### Song Lyrics

People steal  
People lie  
People hurt  
People cry  
Violence, poverty  
Hunger, greed  
Give me your money  
I won't say "please"  
Maybe we  
Should be mad  
When things are  
So very sad.  
Change has got to  
Come one day.  
I don't like it  
So I say  
I don't like it, I don't like it,  
I don't like it, I don't like it  
Come on, come on!  
**CHORUS**  
Rome wasn't built  
In one day  
Brick by brick  
That's the way  
Step by step  
Bit by bit  
Change won't come  
In one minute  
It takes work  
It takes time  
It takes will
