

## Dance Movements

# Touch Your Knees

### Song Lyrics

Touch your knees

Touch your nose

Touch your mouth

Say hello!

Touch your ears

Touch your eyes

Touch your hand

Say bye-bye!

### Dance Movements

Touch your knees

Touch your nose

Touch your mouth

Wave hello

Touch your ears

Touch your eyes

Lift one hand up, palm out, and touch it with the index finger of your other hand

Wave goodbye to the others
