

# I GET ROCKING

Sometimes I have days  
when nothing's right  
Sometimes I see people  
fuss and fight  
Life knocks me down, but then  
I get back up again  
I sing, I dance  
I don't stop  
I get up and rock again

I get rocking  
I'm not stopping  
Feet on the ground  
All over town

I grab a guitar  
Now I'm a rock star  
I'm on a roll  
Life is a show
