How Big Is the Whale?

Song Lyrics

How big is the whale?

It's very, very big.

How big is the whale?

It's very, very big.

Animals,

Big and
small

Animals,
very tall

Animals,

Big and
small

Animals,
very tall

How small is the bird?

It's very, very small.

How small is the bird?

It's very, very small.

Animals,

Big and
small

Animals,
very tall

Animals,

Big and
small

Animals,
very tall

How tall is the bear?

It's very, very tall.

How tall is the bear?

It's very, very tall.

Dance Movements

Swim in the sea, placing your hands in front of your chest with your palms facing out to move the water

Open your arms to the sides with palms facing in

Repeat the previous 2 gestures

Raise your "claws" like a tiger or a bear

Stretch out your arms with palms facing in

Bring your palms toward each other quickly without touching

Raise your "claws" like a tiger or a bear

Raise a hand above your head, palm facing downward

Raise your "claws" like a tiger or a bear

Stretch out your arms with palms facing in

Bring your palms toward each other quickly without touching

Raise your "claws" like a tiger or a bear

Raise a hand above your head, palm facing downward

Flap your wings (with your arms stretched out)

Bring your palms together, facing each other but without touching, in front of your chest

Repeat the previous 2 actions

REPEAT THE GESTURES FROM THE 1 st CHORUS

Raise your "claws" like bear

Raise a hand above your head, palm facing downward, and look up at it

Repeat the previous 2 actions

Dance Movements

How Big Is the Whale?

Song Lyrics

Animals,
Big and
small

Animals,
very tall

Animals,
Big and
small

Animals,
very tall

How long is the snake?

It's very, very long.

How long is the snake? It's
very, very long.

Animals,
Big and
small

Animals,
very tall

Animals,
Big and
small

Animals,
very tall

Dance Movements

REPEAT THE GESTURES FROM THE 1 st CHORUS

Put your palms together in front of you, perpendicular to the ground and make "S" shapes as you move your arms forward

Pretend you're looking at a measuring tape: pinch it between the index and thumb of each hand (palms facing in). From this position, stretch your arms out to the side looking at the "tape" from one side to the other

Repeat the previous 2 actions

REPEAT THE GESTURES FROM THE 1 st CHORUS
