

Dance Movements

TWO OF A KIND

Song Lyrics

We go together like thank you and please.

We go together like carrots and peas.

Chocolate cake

And ice cream

We´re a perfect

pair,

you see.

You fit me like a glove

and I fit you.

And people say you think just

like I do.

Peas in a pod

Just like twins

My mate,

my pal and

friend

We´re two

of a kind

Together

you and

I

We see eye to

eye

Yes, you can

depend

On me being your

friend

Your friend

Your friend

Dance Movements

Shake hands with an imaginary person

Place your palms together in front of your chest

Grab a carrot and take a bite

Hold a pea between your thumb and your index finger

Rub your hand in circles on your stomach

Hold one hand out in front of you, palm facing up like a plate, and eat ice cream from a "spoon" in your other hand.

Show one raised thumb

Show two raised thumbs

Point to your eyes

Hold up one hand, palm facing forward, and with the other hand put a glove on it

Switch hands and repeat the previous gesture

Rhythmically point at your friend in front of you

Rhythmically touch your temple with an index finger

Hold one hand out in front of you, palm facing up, and "cover" it with the other hand

Hold up an open hand on each side of your head, palms facing forward

Show one finger

Show two fingers

Show three fingers

Show one index finger

Show two index fingers

Put your index fingers together in front of your

Point at your friend with both index fingers

Point to yourself with both index fingers

Point to one eye

Point to your other eye with the other hand

Point at your friend with both index fingers

Show two thumbs up

Point to yourself with both index fingers

Put one arm around an imaginary friend's shoulder.

No gesture
