

## Dance Movements

# The Internet Song

### Song Lyrics

I click on a web page

About horses or

football,

Science or

actors.

On the web I've got it

all.

I'm learning English.

I've got the key

To a million worlds.

So much in English I can read!

Internet

Point and

click

Chat with friends

In Reykjavik

Internet

You can surf

You connect

Talk to the world

### Dance Movements

-Click a computer mouse rhythmically with your finger

-Hold the reins of a horse

-Throw a football

-Make a telescope with your hands and pretend to be an astronomer looking up at the stars

-Place one hand on your chest and stretch out your other arm, like an actor reciting a play

-Link the fingers of both hands and stretch your arms out with your palms facing in (to create a "web")

-Stretch your arms quickly out to the sides

-Point your thumb to your chest rhythmically

-Pretend to turn a key

-Use both hands to draw a large circle in front and above you

-Put your palms together and "read" them like a book

-Link the fingers of both hands and stretch your arms out with your palms facing in (to create a "web")

-Move the mouse from side to side but don't click it

-Now click it

-Do the "talk" gesture with your hands

-Cross your arms over your body, hug yourself warm and shiver

- Link the fingers of both your hands and stretch your arms with palms in (to create a "web")

-You can surf: stretch your arms out and balance from one side to the other

-Hold your index fingers out horizontally, facing the middle and about 50cm. apart and then join the tips of your fingers in front of you

-Make a telephone sign with your hand and bring it to your ear, with your thumb and little finger stretched out
