

# ROBOTS IN MY HOUSE

*Look! There 's a house.  
Let 's go in.  
Yes, I 'm hungry.  
I smell bread.*

There are robots  
Eating all the bread.  
There 's a robot  
Sleeping in my bed.  
There 's a robot  
Dancing with my Mom.

Robots! Robots!  
In my house

Robots  
Robots  
Dance like a robot

Robots  
Robots  
Dance like a robot
