My Purple Car

Song Lyrics

I´m driving in my purple car
I don´t know

where we are

I think I see

a polar bear
Maybe we´re in

Canada
Let´s go

Let´s see the world

With a guitar
And my purple car
Canada

Italy

Mexico

Spain!

Dance Movements

Grab a steering wheel and turn it from side to side

Hold a map with one hand, palm up. Point to it with the other hand while looking down at it.

With a "lost" expression, shrug your shoulders with your hands at chest level, palms up

Like a sailor looking at the sea, put your hand over your eyebrows

Raise your "claws" high above your head

Touch your temple with an index finger and show a look of concentration

"Eureka" gesture: show an index finger and a big smile
Curve one arm in front of you, palm facing towards you, and wave others toward you rhythmically

Form your hands into binoculars, place them against your eyes and look from side to side

Play rock´n´roll guitar!

Grab a steering wheel and turn it from side to side

Raise your "claws" high above your head

Grab a huge piece of pizza with both hands and bite into it

Play the trumpet like a mariachi

Like the horns of a bull, place the backs of your hands on top of your head and point your index fingers upward

THE SONG REPEATS FOUR TIMES. ALL GESTURES REPEAT, EXCEPT THE THIRD LINE OF EACH VERSE.
