

MY PURPLE CAR

I´m driving in my purple car
I don´t know where we are
I think I see a polar bear
Maybe we´re in Canada

Let´s go
Let´s see the world
With a guitar
And my purple car

Canada
Italy
Mexico
Spain!

I´m driving in my purple car
I don´t know where we are
I think I see a pizza
Maybe we´re in Italy

Let´s go
Let´s see the world
With a guitar
And my purple car

Canada
Italy
Mexico
Spain!

I´m driving in my purple car
I don´t know where we are
I think I see a mariachi
Maybe we´re in Mexico

Let´s go
Let´s see the world
With a guitar
And my purple car

Canada
Italy
Mexico
Spain!

I´m driving in my purple car
I don´t know where we are
I think I see a big bull
Maybe we´re in Spain

Let´s go
Let´s see the world
With a guitar
And my purple car

Canada
Italy
Mexico
Spain!
