

Dance Movements

Count To Ten

Song Lyrics

1-2-3-4

5-6-7-8

9-10

And let's do it again

1-2-3-4

5-6-7-8

9-10

I can count to ten.

Dance Movements

Count to ten with your fingers as you hear the numbers

With one finger raised, put your hand by your head and make horizontal circles (like a cowboy with a lasso)

Count to ten again

Proudly point to yourself
