

A FRIEND

What a day!
I had a so-so day.
I'm feeling kind of sad.
Everything I do comes out wrong.

It's okay
Because I have my friends.
I always count on them.
My friends will pick me up again.

Someone who will always cheer you up,
Give so much,
That's a friend.
Someone you are always glad to see,
I call that a friend.
A friend!
