

SPORTS HERO

He's got the ball. He runs. He cuts. He's up...it's in! He wins again! Yes sir!

I run faster than lightning.
Come and see me. It's frightening!
I jump higher than a building.
Come and see me. It's thrilling!
Yes, I'm stronger than King Kong.
That old monkey's not so strong.
I win Saturday to Friday.
I'm not joking. Get out of my way!

I always win.
I never lose.
I'm just too cool.

But then
I wake up again.
Still....

Always win
Never lose
Breaking records
Making the news
I get gold
Every time
I windsurf or I ski
I'm Mr. Victory
In my sweet dreams

She's got the ball. She shoots. She scores! She wins again!
