

The Park

I'm going into town
I'm laughing and talking.
I'm going into town
It's sunny, so I'm walking.

This is my friend.
His name is Frank.
We're going to the park
Opposite the bank.

There's a sports center.
There's a pool.
But there isn't a school.
There's a zoo with a shark!
So much to do in the park
In the park
